Incentives to prosperity, we can attain real prosperity by recognizing importance of incentives for industry, individuals; reform of tax structure based on incentives to job creation would solve current problems, avoid "recessions" in future, Mr 14 p 124
National mood, need never greater for confidence, common sense in formulation of anti-recession measures; function of govt in emergency to achieve maximum good for maximum number, avoid inflationary policies, Mr 21 p 124
Our own dictatorships, Amers shocked by disclosures by Sen Com of malpractices in unions; by voting for candidates for Cong pledged to protect constitutional rights, people can insure freedom of opportunity to Amer working man, Mr 28 p 132
One glass of vodka and—, Khruschev has chosen himself as new Soviet "premier"; when dictator has defrauded his own people he will do same in dealings with other govts; danger of war increased by emergence of heavy-drinking, unstable man as Soviet dictator, Ap 4 p 112
Why suspend only bomb "tests"? Soviet temporary suspension of H-bomb tests is transparently phony scheme; its argument against nuclear tests can be applied more effectively against production, use of any nuclear weapons, Ap 11 p 112

LAWRENCE, DAVID—Contd.
Depression, only cure? David Lawrence editorial reprinted from July 12, 1957, inflation spiral continues as purchasing power of dollar drops; biggest single influence in fixing of prices, natl labor unions, goes unrestrained; nobody wants wage, price control by govt, alternative seems to be inevitable depression, Ap 18 p 128
Wage and price ceiling, recession foisted on country by big unionism, whose power in pushing up wage rates is uncurbed; upper limit in wages, prices needed lest irresponsible elements force runaway inflation, Ap 25 p 128
Imperatives of the hour, solution of tasks before us inside, outside our country depend on self-restraint of men; in will of individuals, concerted will of peoples lies key to better world, My 2 p 104
Prosperity unlimited, Amer could be rebuilding itself right along if there were revision of govt tax policies on "depreciation," plus incentives to reinvestment, capital formation; way open to unprecedented expansion, My 9 p 120
Stop the dictatorship? Woodrow Wilson address of 1917 applicable today; quarrel not with people of Soviet Union, but dictatorship in Moscow; emergence of free govt there would insure peace of world, My 16 p 132
International anarchy? Soviet govt responsible for trouble in many parts of world; even U S confused, hasn't yet learned how to fight new type of invasion; time for us to take leadership to stop Communist infiltration of free govts, My 23 p 112
Big paradox, while spending billions for armament we do not mobilize free nations for collective action against disorders spreading around globe; Communists aid, abet natl uprisings in indirect aggression; West must present united front of armed forces ready to fight if need be, My 30 p 96
So there is a "right to work"! Supreme Court upholds principle that nobody can lawfully interfere with individual's right to work; opinion in case of Paul Russel, non-union worker, Je 6 p 100
"Too many generals," political dissension has become positive danger as members of Cong bicker with Executive, give world impression of many voices speaking for Amer; we need Operating Council of congressional leaders, heads of executive agencies to give us unified command for our own, other free govts, Je 13 p 112
Start toward unity, visit of Brit Prime Min Macmillan emphasizes need for new approach to economic policy on internatl side; real solution lies in moving toward normal balances of trade; cooperation with allies can restore free world to economic health, Je 20 p 116
Leopard unchanged, execution of Hungarian leaders shows perfidy of men in Kremlin, their wanton disregard of pledged word; what will it take to convince apologists Soviet rulers cannot be trusted, that Communist infiltration, subversion of free govts is military menace? Je 27 p 112
